

Description:

STARDEK's Nature Stain is a water-based concrete dye formulated to be installed over porous cementitious surfaces. Nature Stain is formulated using the highest quality color pigments, surfactants and binders for maximum adhesion and colorfast properties. Once properly applied and sealed using STARDEK Clear Sealers, Nature Stain offers a unique, durable, rich looking surface. Nature Stain is available in a wide range of colors for added flexibility and design options.

Recommended For:

STARDEK's Nature Satin has been formulated as an undercoating. A surface treatment for STARDEK's Cement Mixes or porous concrete, a clear protective Sealer must be applied. Painted or coated surfaces must be ground to bare concrete before applying Nature Stain to these surfaces. The Nature Stain "System" (Dye and Clear Sealer Application) is recommended for interior or exterior surfaces. Using proper Sealers, this system is appropriate for both residential and commercial areas.

Benefits:

- Low Odor
- Waterbase material
- Easy Cleanup
- Fast Drying
- Easy Application
- Colorfast
- UV Resistant
- Durable after Sealing
- Wide Range of Colors
